EXPERIENCE

M. Klein & Company / Churchill Capital

Incoming Analyst

New York, NY
July 2021

- M. Klein & Company: Global corporate and sovereign strategic advisor with over \$1tn in completed transactions
- Churchill Capital: Generalist SPAC franchise with over \$5bn raised across 5 entities with a combined EV of over \$35bn

Summer Analyst

May 2020 – August 2020

Selected transaction experience:

- \$2bn out-of-court restructuring of a developed real estate project:
 - Built a comprehensive teaser and CIM to present the investment opportunity institutional investors
 - Conducted extensive due diligence on the project, industry trends, existing credit agreements, and lease agreements
 - Analyzed liquidity and returns by projecting the operating model out bottom-up under various refinancing scenarios
- \$2.5bn SPAC investment in Postmates (investment ultimately not pursued):
 - Built an internal investment opportunity deck after conducting extensive due diligence on current operations, future vision, unit economics, and considered various bolt-on opportunities post-transaction to develop a potential investment thesis
- \$60bn merger of equals:
 - Analyzed comparable precedent merger-of-equals transactions to negotiate exchange ratio, governance, and other deal terms

Advisory Research Investment Management

Investment Analyst Intern

Chicago, IL
October 2019 – December 2019

- \$3bn value-focused mutual fund in the small-cap U.S. public equities team
- Wrote and researched investment memos with my own investment recommendation and presented to the investment committee

Valor Equity Partners

Summer Investment Analyst

San Francisco, CA
August 2019 – September 2019

- Growth equity firm founded by Antonio Gracias investing out of its \$1B fund IV

Selected investments:

- Anduril (\$3M committed at \$800M pre-money): AI-powered defense technology company focused on US and ally security
- HackerOne (\$25M committed at \$300M pre-money): two-sided marketplace for enterprises to crowdsource vulnerability testing

LEADERSHIP & ACTIVITIES

The Blue Chips Investment Club

Investment Committee Member – Industrials Coverage

Chicago, IL
January 2018 – March 2021

- Managed a \$150K value-focused public equity portfolio by reviewing analysts' pitches and making investment decisions

Selected investments:

- XPO Logistics (XPO): Decided on a buy based on the following thesis points: best-in-class player with scale, insulation from economic downturn, and secular tailwinds from e-commerce and freight outsourcing growth
- AerCap (AER): Reviewed our existing position and original deep value thesis. Determined there was still significant mispricing in March 2020 and recommended upsizing our position

ILC: Finance

Leadership Board (Co-President / Core)

Chicago, IL
October 2017 – March 2021

- Moderated weekly discussions on financial across various asset classes, deals, and macroeconomic trends
- Lead educational modules on the basics of accounting, corporate finance, and derivatives theory
